1. (a) In consideration of the Obligations, Debtor agrees that, in order to provide Secured Party with security for payment and performance of all the Obligations, Debtor hereby grants to Secured Party a lien upon, security interest in and security title to and hereby assigns transfers to Secured Party, all right, title and interest of Debtor in and to, all benefits and rights of Debtor under, and all accounts and other moneys due or to become due to Debtor under or in connection with the Collateral described in *Exhibit A* hereto, and all other related documents, agreements, instruments and under any and all additions, amendments, supplements or modifications of any of the foregoing, whether now existing or hereafter entered into or acquired (the "*Collateral*") as collateral security.

(b) Debtor covenants and warrants that it has good and marketable title to the Collateral herein conveyed to Secured Party free and clear of all liens, charges and encumbrances except Permitted Encumbrances. Debtor has full right, power and authority to grant, pledge, assign, grant a security interest in, transfer and set over the same to Secured Party. Debtor will warrant and defend the title to the Collateral.

(c) Debtor shall not by deed, mortgage, pledge, lease or other instrument, grant, mortgage, pledge, lease, convey, assign, devise or otherwise transfer all or any part of the Collateral or any interest therein, directly or indirectly, other than a lease, conveyance, assignment or transfer permitted under the terms of the Credit Facilities, nor shall Debtor suffer or permit the same by execution sale or operation of law or otherwise.

(d) Debtor represents (i) that it is or will be the sole user of the sealed waste containers ("*Containers*") constituting a portion of the Collateral granted hereby; (ii) that it will not lease or sublease any of the Containers; (iii) that none the Containers is covered by a certificate of title; (iv) that no registration or filing is required with the United States Surface Transportation Board with respect to the Containers; (v) that the Containers will not be used outside of the United States or for international purposes; and (vi) that upon filing of a properly completed financing statement with the Secretary of State of Delaware, no separate filing or licensing is necessary under the Uniform Commercial Code or applicable law to perfect the security interest granted hereby in the Containers.

2. Debtor further agrees, represents and warrants that:

(a) For the purposes of this Agreement, "Event of Default" shall mean

(i) Failure by Debtor to observe and perform any covenant, condition or agreement on its part to be observed or performed in this Agreement; or

(ii) An "Event of Default" shall occur and be continuing under the LWT Loan Agreement.

(b) Prior to the occurrence of an Event of Default, Debtor may, without the prior written consent of Secured Party, modify, amend, alter, change, cancel or terminate any one or more of the Collateral, except for Contracts listed on *Exhibit B* attached hereto, as Debtor deems necessary or appropriate in connection with the operation of

Debtor's business, *provided* that such modification or termination does not in the aggregate materially adversely affect the Collateral or Secured Party. Debtor may exercise all of its rights under the Collateral prior to the occurrence of an Event of Default. Upon an Event of Default or at any time thereafter, Debtor may not exercise such rights without the prior written consent of Secured Party.

(c) Debtor specifically acknowledges and agrees that Secured Party does not assume, and shall have no responsibility for, the payment of any sums due or to become due under any of the Collateral or the performance of any Obligations to be performed under or with respect to any of Collateral, by Debtor. Secured Party shall only have liability with respect to specific contracts in the event that Secured Party expressly notifies the contracting party in writing following an Event of Default that Secured Party expressly assumes Debtor's obligations under such contracts.

(d) Secured Party shall be deemed to have exercised reasonable care if Secured Party takes such action with respect to the Collateral as Debtor shall request in writing, but no failure to comply with any such request nor any omission to do any such act requested by Debtor shall be deemed a failure to exercise reasonable care, nor shall Secured Party's failure to take steps to preserve rights against any parties or property be deemed a failure to have exercised reasonable care with respect to Collateral in Secured Party's custody.

(e) Secured Party shall not be obligated to assert or enforce any rights or security interest hereunder or to take any action in reference thereto, and that Secured Party may in its discretion at any time(s) relinquish its rights as to particular Collateral hereunder without thereby affecting or invalidating its rights hereunder as to all or any other Collateral hereinbefore referred to.

(f) Secured Party may take, or release, other security which it may hold for the payment of the Obligations, may release any party primarily or secondarily liable therefore, and may apply any other security held by it to the satisfaction, or partial satisfaction, of such Obligations, without prejudice to any of its rights under this Agreement.

(g) Debtor hereby designates and appoints Secured Party and each of its designees or agents as attorney-in-fact of Debtor irrevocably and with power of substitution, with authority in each case upon the occurrence and during the continuation of an Event of Default to execute and deliver for and on behalf of Debtor any and all instruments, documents, agreements and other writings necessary or advisable for the exercise on behalf of Debtor of any rights, benefits or options created or existing under or pursuant to any of the Collateral; to endorse the name of Debtor on its behalf on any and all notes, acceptances, checks, drafts, money orders, instruments or other evidences of collateral, that may come into Secured Party's possession; to execute proofs of claim and loss; to execute endorsements, assignments or other instruments of conveyance and transfer; to adjust and compromise any claims under insurance policies or otherwise; to execute releases; and to do all other acts and things necessary and advisable in the discretion of Secured Party to carry out and enforce this Agreement or the Obligations.

(h) Upon an Event of Default, in addition to all other rights and remedies of Secured Party pursuant to any agreements of Debtor in favor of or assigned to and held by Secured Party or pursuant to applicable law or otherwise, Secured Party shall be entitled to have at its election all rights and benefits under the Collateral as an assignee of such Collateral, including, without limitation, any and all rights to indemnification and guarantee, without modifying or discharging any of the Obligations. Upon an Event of Default, Debtor agrees to execute any and all documents requested by Secured Party in its sole discretion to enable Secured Party to exercise all of the rights of Debtor under the Collateral. Subject to Section 20 hereof, the specified remedies to which Secured Party may resort under the terms of this Agreement are cumulative and are not intended to be exclusive of any other remedies or means of redress to which Secured Party may be lawfully entitled in case of any breach or threatened breach by Debtor of any provision hereof or of any of the Obligations. Nothing contained in this Agreement and no act or action taken or done by Secured Party pursuant to the powers and rights granted it hereunder or under any instrument collateral hereto shall be deemed to be a waiver by Secured Party of any of its rights and remedies against Debtor in connection with, or in respect of, any of the Obligations of Debtor to Secured Party. Subject to Section 20 hereof, the right of Secured Party to collect and enforce collection of the Obligations and to enforce any security and collateral held by it may be exercised by Secured Party either prior to, simultaneously with, or subsequent to any action taken by Secured Party hereunder.

(i) Upon an Event of Default or at any time thereafter, Secured Party may, in its discretion, in its name or Debtor's or otherwise, notify any obligor under the Collateral (i) to make payment directly to Secured Party (or as directed by Secured Party) of all amounts due or to become due under the Collateral, and/or (ii) render performance under the Collateral to or as directed by Secured Party. If so requested by Secured Party, Debtor must notify account debtors to pay moneys directly to Secured Party (or as directed by Secured Party). Any moneys paid thereafter to Debtor shall be held in trust by Debtor and immediately turned over by Debtor to Secured Party.

(j) Upon an Event of Default or at any time thereafter, Secured Party may, in its discretion, demand, sue for, collect or receive any money or property at any time payable or receivable on account of the Collateral, or, with respect to payments which have become due and payable under the Collateral, make any compromise or settlement deemed desirable by Secured Party in the exercise of its good faith judgment.

(k) Debtor agrees that any copy of this Agreement signed by Debtor and transmitted by telefax for delivery to Secured Party shall be admissible in evidence as the original itself in any judicial or administrative proceeding, whether or not the original is in existence.

(l) Any contracts, agreements or instruments constituting the Collateral are in full force and effect, and no defaults exist under such contracts, agreements or instruments.

(m) Debtor will provide Secured Party promptly but in any event within thirty (30) days after receipt or knowledge thereof by Debtor, with copies of any and all notices received by Debtor which allege, either directly or indirectly, that Debtor is in material

default of, or materially deficient in the performance of the terms of any obligation of Debtor under, any of the Collateral, or that any fact or circumstance exists which could reasonably lead to the termination, suspension, revocation or loss of any of the Collateral.

(n) Debtor will indemnify and defend and hold Secured Party harmless against and from all liability loss, damage and expense, including reasonable attorneys' fees, which Secured Party may or shall incur by reason of this Agreement, or by reason of any action taken in good faith by Secured Party hereunder or with respect to the Collateral, and against and from any and all claims and demands whatsoever which may be asserted against Secured Party by reason of any alleged obligation or undertaking on its part to perform or discharge any of the terms, covenants and conditions contained in any of the Collateral.

3. Debtor further agrees and covenants, (a) that, if Secured Party so demands in writing at any time, all proceeds of Collateral shall be delivered to Secured Party promptly upon Debtor's receipt in a form satisfactory to Secured Party; (b) that, if Secured Party so demands in writing at any time, all chattel paper, instruments, and documents shall be delivered to Secured Party at the time and place and in the manner in which specified by Secured Party's demand; (c) to execute and deliver, upon request, any notice, statement, instrument, document, agreement or other papers and to perform any act requested by Secured Party which may be necessary to create, perfect, preserve, validate or otherwise protect any security interest granted pursuant hereto or to enable Secured Party to exercise and enforce its rights hereunder or with respect to such security interest; (d) that during the period that any Obligation is outstanding, Debtor will not, without obtaining Secured Party's prior written approval, create, incur, assume, or suffer to exist any lien, security interest in or security title or otherwise assign any of its rights with respect to the Collateral pursuant to a security agreement subject to the Uniform Commercial Code or any similar law of any jurisdiction or otherwise, except as herein provided, and Debtor will not sign or file or authorize the signing or filing of a financing statement under the said Uniform Commercial Code of any jurisdiction with respect to the Collateral or any portion thereof, except as herein provided. Debtor further agrees to provide Secured Party with such information as Secured Party may from time to time request with respect to the location of any of Debtor's business. In addition, Secured Party will be notified promptly in writing of any change in location of any office where records concerning any of the accounts that constitute a portion of the Collateral are maintained or of a change in location of Debtor's principal place of business or of a change in location of any Collateral, or of a change in Debtor's name, identity or structure.

4. Upon an Event of Default, or at any time thereafter, subject to Section 20 hereof, Secured Party may declare any or all of the Obligations immediately due and payable, without presentment, demand, protest, or notice of any kind, demand or notice to Debtor. Upon an Event of Default, Secured Party may exercise any of its rights and remedies hereunder with or without accelerating the indebtedness under the Credit Facilities. Furthermore, upon the occurrence of any Event of Default, or at any time thereafter, Secured Party shall also have all of the rights and remedies provided to a secured party by the Uniform Commercial Code and other laws applicable to security interests and/or assignments in effect in Ohio at that time. In addition thereto, upon an Event of Default, Debtor further agrees that (i) in the event that notice is necessary under applicable law, written notice mailed to Debtor at the address set forth in the Credit Facilities five (5) business days prior to the date of public sale of any of the Collateral

subject to the security interest created herein or prior to the day after which private sale of any other disposition of said Collateral will be made shall constitute reasonable notice, but notice given in any other reasonable manner or at any other time shall be sufficient; (ii) in the event of sale or other disposition of any such Collateral, subject to Section 20 hereof, Secured Party may apply the proceeds of any such sale or disposition to the satisfaction of its reasonable attorneys' fees, legal expenses, and other costs and expenses incurred in connection with its taking, retaking, holding, preparing for sale, and selling of the Collateral and to any of the Obligations in such order as Secured Party, in its discretion, may elect; (iii) without precluding any other methods of sale, the sale of Collateral shall have been made in a commercially reasonable manner if conducted in conformity with reasonable commercial practices of lenders disposing of similar property but in any event Secured Party may sell on such terms as Secured Party may choose, without assuming any credit risk and without any obligation to advertise or give notice of any kind; and (iv) Secured Party may require Debtor to assemble the Collateral, taking all necessary or appropriate action to preserve and keep it in good condition, and make such available to Secured Party at a place and time convenient to both parties, all at the expense of Debtor. Furthermore, in any such event, to the extent permitted under applicable law, Debtor waives all rights which Debtor has or may have as to notice and to a judicial hearing prior to any seizure of the Collateral by Secured Party and full power and authority are hereby given Secured Party to sell, assign, and deliver the whole of the Collateral or any part(s) thereof, at any time(s) at any broker's board, or at public or private sale, at its option, and no delay on its part in exercising any power of sale or any rights or options hereunder, and no notice of demand, which may be given to or made upon Debtor by Secured Party with respect to any power of sale or other right or option hereunder, shall constitute a waiver thereof, or limit or impair Secured Party's right to take any action or to exercise any power of sale or any other rights hereunder, without notice or demand, or prejudice Secured Party's rights as against Debtor in any respect. Secured Party shall retain all rights described in this agreement in and to the Collateral.

5. Any and all of Secured Party's rights with respect to the security interest hereunder shall continue unimpaired, and Debtor shall be and remain obligated in accordance with the terms hereof, notwithstanding the release or substitution of any Collateral at any time or of any rights or of interest therein, or any delay, extension of time, renewal, compromise or other indulgence granted by Secured Party in reference to any of the Obligations, or any promissory note, draft, bill of exchange or other instrument given in connection therewith, Debtor hereby waiving all notice of any such delay, extension, release, substitution, renewal, compromise or other indulgence, and hereby consenting to be bound thereby as fully and effectually as if Debtor had expressly agreed thereto in advance.

6. Secured Party is authorized, at its option, to file financing statements or amendments thereto without the signature of Debtor with respect to any of the Collateral; Debtor agrees to reimburse Secured Party for the expense of any such filing.

7. Secured Party may assign or otherwise transfer this Agreement, or any instruments evidencing all or any of the Obligations, and any agreement relating thereto and may deliver all or any of the Collateral to the transferee(s), who shall thereupon become vested with all the powers and rights in respect thereto given to Secured Party herein or in the instruments transferred, and Secured Party shall thereafter be forever relieved and fully discharged from any

liability or responsibility with respect thereto, all without prejudice to the retention by Secured Party of all rights and powers hereby given with respect to any and all instruments, rights or property not so transferred.

8. This Agreement shall inure to the benefit of Secured Party and its successors, assigns and designees, and shall be binding upon any subsequent owner of Debtor's interest in and to the Collateral.

9. This is a continuing agreement and shall remain in full force and effect until revoked by Secured Party in writing or written notice shall have been received from Debtor by Secured Party that it has been revoked, but any such notice by Debtor shall not release the notifying party (or parties) from any liability, responsibility, lien or security interest created hereunder with respect to such of the Obligation as may have been theretofore incurred and any renewals, extensions or modifications of such Obligations and any expenses paid or incurred by Secured Party in endeavoring to collect the Obligations, including attorneys' fees, or realize upon the Collateral or in enforcing this Agreement. Furthermore, if this Agreement is terminated, or revoked by operation of law as against Debtor, Debtor will indemnify and save Secured Party, its successors or assigns, harmless from any loss which may be suffered or incurred by Secured Party in making, giving, granting or extending any loan or other credit, or otherwise acting, hereunder prior to receipt by Secured Party of notice in writing of such termination or revocation.

10. Debtor agrees that the assignment, lien, security interest and security title granted hereby shall remain in full force and effect and shall not be released by Secured Party until all Obligations have been indefeasibly paid in full in accordance with the Credit Facilities and such payments are no longer subject to rescission, recovery or repayment upon the bankruptcy, insolvency, reorganization, moratorium, receivership or similar proceeding affecting Debtor.

11. Any affidavit, certificate, letter or statement of any officer, agent or attorney of Secured Party showing that any part of the Obligations remains unpaid or unsatisfied shall be and constitute evidence of the validity, effectiveness and continuing force of this Agreement and any person may, and is hereby authorized to, rely thereon.
